

NEW--Intramural Sports Free Agent Process--NEW

Free Agent Process

Participants who would like to play intramural sports but who do not have a team may play on a Free Agent team. Participants register for a Free Agent team online through ASiConnect or at the Front Desk of the Recreation Center. After registering for a Free Agent team, participants will attend the Free Agents Meeting, where they will pay for their portion of the team and meet their teammates.

Free Agent Registration

Registration for Free Agent teams will begin on **Thursday, September 24th**, Registration for Free Agent Volleyball and Flag Football teams will begin at 6:30PM; registration for Basketball will begin at 7:30; Soccer registration will start at 8:30 and Softball registration will start at 9:30. Registration will close one(1) hour before the Free Agent Meeting.

Free Agent Meeting

The fall 2009 Free Agent Meeting will be **Monday, September 28th** in the Chumash Auditorium of the UU Plaza. For participants registering for basketball or volleyball the meeting will be from 6-7PM. For participants registering for Softball, Soccer and Tennis the meeting will be from 7-8PM.

What if I can not attend the Free Agent Meeting?

If you have registered or waitlisted for a Free Agent team but can not attend the Free Agent meeting, you must contact the Intramural Sports Office at (805) 756-6044 or at imsports@asi.calpoly.edu. If you do not attend the Free Agent meeting or contact the Intramural Sports Office, you will lose your position on the team.

Free Agent Teams

All Free Agent teams are either in Open Division or Division II, Moderately Competitive Leagues.

What if I register for a team, but it is already full?

In order to ensure that all Free Agent participants will have an opportunity to play, each sport has a limit on the number of participants who can register to play on a Free Agent Team. Once each free agent team is full, participants may waitlist to be on a Free Agent team. If you register or waitlist to play on a Free Agent Team and do not attend the Free Agent meeting, your position will be filled by someone else using the team waitlists.

Registering for a Co-Rec Free Agent League

For Co-Rec (co-ed) Free Agent teams, there is a separate registration for each gender. Please make sure that you register for the appropriate team. Failure to do so could void your position on the Free Agent Team.

Once I register for a team, is my position on that team guaranteed?

Your position on a Free Agent team is not guaranteed until you have attended the Free Agent meeting and paid for your portion of the team.
