Vice Chair of the University Union Advisory Board (UUAB) Responsibility Guide

ASI Student Government members have important duties and responsibilities to the Cal Poly student body. These responsibilities are derived from the ASI Bylaws; often, the responsibilities change as the organization grows and changes.

It is a conflict of interest for ASI to employ members of ASI Student Government and require those individuals to have the responsibility of governing and making decisions regarding the organization by which they are employed. Because of this conflict, it is necessary to separate the roles by not allowing a student to simultaneously hold a position in ASI Student Government and be employed by ASI.

University Learning Objectives

ASI is committed to supporting the aspirations of the University Learning Objectives. Our student leaders are expected to make reasoned decisions based on ethics, respect for diversity, and an awareness of issues of sustainability. Additionally, they will work productively as individuals and in groups while communicating effectively.
