Safety Certification Agency Approval for ASI Employment

Guidelines for approved agencies

- Training must include physical testing (no online-only certifications)
- Certifications must expire within two years of certification date (or we will assume they are expired at that time)

Approval Examples

Please check with supervisor and refer to your position description to know which specific certification your position requires, as it is relative to your position at ASI. For example, Pediatric CPR/AED does not meet requirements for a Facility Supervisor as they need Adult CPR/AED and First Aid.

List of Accepted Agencies

- American Red Cross
- Canadian Red Cross
- American Heart Association
- National Safety Council
- American Health and Safety Institute
- Emergency Care and Safety Institute
- Medic First Aid
- NOLS Wilderness Medicine Institute

List of Unaccepted Agencies

- International CPR Institute
- American Academy of CPR and First Aid
- National CPR Foundation
- National Health Care Provider Solutions
- American Health Care Academy

What to look for on certificates

All certificates must list the following:

- Name of participant
- Confirmation of completion (not simply attendance)
- Certification validity period
- Certification completion date
- Certifying agency
- For American Red Cross, a certificate ID must be listed.
- Certificates may be in 8 ½" X 11" or wallet-size format.
