1) Chair’s Report (Brady Hiob)
   a) Table Topper Policy
      i) Brady reviewed the table topper policy with the recommended changes. The changes included the addition of the Mustang Way to the statement: “student and athletic events, ensure compliance with ASI Campus Policy and principles of Mustang Way, and identified preference to specific groups.”
      ii) He stated that the purpose of adding the Mustang Way was to have the statement act like a filtering system if table toppers were deemed inappropriate. Examples of inappropriate content would be vulgar language or sensitive pictures.
      iii) Michelle Broom asked who decides what is appropriate and what is not appropriate. Dwayne stated that facility supervisors would be involved with the approval procedure ensuring ASI would not discriminate when putting up the table toppers.
      iv) Motion #1 (Cornell/Johnson) “Move to approve table topper policy.”
      v) Motion passed with a unanimous vote.
      vi) Action Item: Brady to write a memo to advise the President on the table topper policy.
   b) Top 10 – Will be reviewed after the meeting is adjourned.
