WHEREAS: The ASI Board of Directors serves as the official voice of students at Cal Poly, San Luis Obispo, and

WHEREAS: The ASI Board of Directors was presented the University Registrar’s proposal of block scheduling freshmen into major and support courses for their first three quarters, and

WHEREAS: The ASI Board of Directors supports the recommended plan of block scheduling for freshmen. The benefits of Block Scheduling are:

• The majority of students will end their first year on track to degree completion.
• The proposed system would ensure all freshmen meet requirements for upper division classes by completing prerequisites during their first year.
• Individual academic departments could improve class availability and section scheduling.
• Block scheduling freshmen would benefit upperclassmen since freshmen will only be blocked into major and support classes for their winter and spring quarters.

THEREFORE BE IT RESOLVED: That the ASI Board of Directors, as the official voice of students, believes the University Registrar should include exceptions to this plan for students, depending on circumstances such as jobs, athletics, and other pertinent activities, and

FURTHERMORE BE IT RESOLVED: That the ASI Board of Directors, as the official voice of students, supports and believes the University Registrar should pursue the plan to block schedule freshmen for their first three quarters at Cal Poly
