 - i. Motioned passed unanimous voice vote.
 - ii. Marcy stated that since the group has not discussed the full report yet, she thought it best to discuss before talking about the progress.
- b. Neighborhood Wellness/Community Civility Report & Progress Report
 - i. Owen stated that the objectives and assignments should be reviewed to know who will have oversight of the tasks, if we have the resources to do them, and the timelines associated. Sandee reviewed portions of the report and stated that these are a list of recommendations and suggested strategies for addressing the recommendations. It was recommended to focus on pages 15 & 16 of the report that are designated for SCLC. These are huge tasks and members wondered if SCLC is the right group to take on the tasks. SCLC has not been a task based committee. Owen reviewed the SCLC Mission Statement and asked if the tasks are in line with the mission. The group agreed that SCLC is the group to discuss town/gown issues. Sandee stated that the intent was not task based but to implement conversation and inform on significant actions, feedback and opinions. Owen stated that we need to take ownership of the six tasks and asked who the responsible party is? It was recommended that the report be on every SCLC agenda for discussion. Members agreed on the following two action items to be completed before the next SCLC meeting.
 - ii. Action Item: Shift SCLC Membership - SCLC Memberships should be reevaluated to directly involve those individuals (by their position) most directly involved in neighborhood wellness.
 - iii. Action Item: Consider who, from your organization, will take a lead role on recommendations throughout the report.
 - iv. Question was raised as to how we measure success and what does success look like? Is it the responsibility of SCLC to be measuring the success of effectiveness?

- c. **Bike Route Maps – Tracy Mandeville**
 - i. Tracy stated that the City has recently produced a set of SLO City bike maps meant for people looking for routes to enjoy around the City on their bikes.
