student issue. Chief Cantrell stated that it is not necessarily a landlord problem. Residents and landlords receive a DAC or citation and fees from the landlord go directly to the residents to pay both fees. This should hold students accountable. Question was raised as to the premise list and why the student can't be flagged vs. the house? The Chief explained that it has been discussed often. Christine added that 14% of 18,000 students that get a DAC and a citation is not bad.
