I. Call to Order

- a. Riley called the October meeting to order @ 3:10 p.m.

II. Approval of Minutes

- a. Motion #1 (Ortiz/Raffish) “Move to approve minutes from meeting #18-04, September 21, 2017.”
- b. Motion passed unanimous voice vote.

III. Introductions

- a. Silent roll call was taken and introductions were made. With 15 voting members in attendance, quorum was met.

IV. Open Forum

- a. Matt Armas introduced himself as the new Off-Campus Coordinator of Student Rights & Responsibilities. He offered himself as a resource to the community and gave out his phone number and email address.
- b. Christina Tutt introduced herself as the new University Judicial Coordinator for Student Rights & Responsibilities. She will be the lead investigator of clubs and organizations on campus.

V. Community Reports

a. ASI President-Riley Nilsen

- i. Riley reported that Student Government held a vigil for the victims of the Las Vegas shooting.
- ii. She announced that Student Government celebrated Indigenous People’s Day on October 9th. Many students participated in the celebration.
- iii. She reported that Student Government held a toiletry drive for the victims of the Santa Rosa fire.
- iv. She announced that this week is Mental Health Awareness week. She stated that one in four students suffer from a mental health issue. Mental Health Awareness week moved from Spring Quarter to Fall Quarter so students can be made aware of the resources that are available at Cal Poly.
- v. Riley thanked members for their attention to the transportation issues experienced by students this fall. She stated that it is a great

example of Cal Poly and the city of San Luis Obispo coming together and working through issues.

b. ASCC President – Jordan Jantzen

- i. Jordan reported that this week is mid-terms for Cuesta College. They hosted a ‘Midterm Meltdown’ event for students which included a therapy dog, a tie dye craft opportunity and free shaved ice.
- ii. He reported that there has been food distribution through the Food Bank on campus.
- iii. ‘Promise Day’ starts Friday October 20th. High school seniors will come onto the Cuesta College campus to hear a presentation on Cuesta’s promise to provide the first year of college at no charge to the student. They expect over 100 students to attend. Assembly Bill 19 will allow community colleges to waive fees for first time, full time community college students for one year.
- iv. He stated that Cuesta College Men’s Soccer team will play the Cal Poly Men’s Soccer team on Friday.

c. City Manager – Derek Johnson

- i. Derek stated that the transportation issue was a great collaboration between the city and Cal Poly. The online survey was helpful in developing some options.
- ii. City Council is working on plans to fund the cities infrastructure. A “Development Impact Fee” is being considered that will impose fees on those who are planning to build in San Luis Obispo.
- iii. Water and waste water connection fees are also being considered to raise revenue.
- iv. City Council is considering opening up Cerro San Luis to night hiking again. Environmental studies will be done to determine the impact on the flora and fauna.
- v. City Council is requiring the building at 1135 Santa Rosa to repaint their structure. The building owners changed the colors from what was originally submitted and are being required to comply with their original submission.
- vi. The council will decide Tuesday October 24th whether to limit the use of plastic straws and bottles within City limits. A proposed “Straws Upon Request” ordinance would require businesses to provide single-use beverage straws to customers only upon request. Also on the City Council agenda for Tuesday is a proposed plastic bottle ordinance that would ban the sale and distribution of single-use plastic bottles on all City-owned property and at events on City property. Climate Action, a city goal for 2017-19, aims to pursue actions that will move San Luis Obispo toward becoming a “Net-Zero City,” which means the City would not have a carbon footprint and, thus, not cause harm to the planet.

- vii. The San Luis Obispo County Board of Supervisors approved an agreement and allocated funds to replace the old animal shelter on Highway 1 between San Luis Obispo and Morro Bay.
- viii. The City Council has a pilot program with plans to dredge the sediment out of Laguna Lake.
- ix. Discussion followed on what the city is doing to manage dry vegetation in regards to wild fires. There is a small budget to fund dry brush management. The California Conservation Corp and Men's Colony inmates are occasionally called upon to help with projects such as this. The Residence in the Bishops Peak area are developing a "Ready, Set, Go" evacuation program in case of a fire in that area.

d. Residents for Quality Neighborhoods – Carolyn Smith

- i. Carolyn stated that there were four fewer complaints this year than last year at this time.
- ii. Residents are concerned about Halloween. Carolyn stated that she is sure City Council has addressed the topic.
- iii. Residents are concerned about the large number of freshmen that will be moving off campus next year. The increased need for electricity and the increased use of cannabis were their main concerns.
- iv. Residents are also concerned about the increase of fees that the city is proposing. Many residents are on fixed incomes.

VI. Business/Discussion Items

a. Fiscal Health Response Plan – Derek Johnson

- i. Derek is developing a Fiscal Health Response Plan. It is currently in the informational phase. He reviewed the plan with SCLC.
- ii. The city of San Luis Obispo provides high levels of public and recreational services as well as the basic services to its residents.
- iii. The biggest issue facing the city is that in ten years, the pension costs will double. The city needs to reduce expenditures by 8.9 million dollars while still providing necessary services and maintaining the ability make payments to CalPERS.

b. Greek Life Updates – Shirin Beroukhim

- i. 950 students accepted bids to chapters.
- ii. Panhellenic delegates voted that sororities are not allowed to go to events at fraternities that are not recognized by the university.
- iii. Shirin reported that October 16th – 20th was National Hazing Prevention Week at Cal Poly. There were several presentations, guest speakers and round tables throughout the week. People spoke about activity locally and around the world. Her hope is to involve more clubs in the future.

- iv. Kathleen McMahon expressed her appreciation for their stance and leadership.

VII. Neighborhood Wellness Civility Report

- i. Christine stated that she would give her report under Voting Member Reports.

VIII. Voting Member Reports

- a. Voting members gave their reports

IX. Announcements

- a. Derek announced there will be a Cannabis workshop on October 23rd in the public library.
