VI. Reports
A. Chair – Danielle Diele

1. Danielle reported that the leadership team went on a few retreats this summer. She stated that highlights of the summer included meeting Vice Chancellor James Minor, who discussed the Graduation Initiative, and meeting the CSU Board of Trustee member, Jack McGory, who will be visiting Cal Poly in the fall.

2. Danielle gave an update on projects that were worked on over summer.
   a) Recreation Center Projects
      (1) New turnstiles were installed at the Rec. Center.
      (2) New flooring and more open space was added on the second floor.
      (3) The Green Roof project will be going out to bid soon.
   b) University Union (UU) Projects
      (1) Daren Connor, Assistant Director of UU Facility Operations, is researching designs for the Green Wall project and will bring information to a UUAB Workshop.
      (2) Daren is also looking into purchasing large power strips so more students can plug in their devices.

3. Danielle reported that she attended the UU Neighborhood Project kick-off meeting on 10/3 along with Marcy Maloney, Dwayne Brummett and Ron Skamfer. She stated that they looked at the Poly Deli, Chumash Auditorium, Chandler Lounge, and the Epicenter, and discussed how they can rethink the idea of a traditional office space.

4. Danielle stated that after the meeting today, members will take a tour of the UU with Daren Connor. She said this will be the first of many tours this quarter which will include the new Rose Float office, the Doerr Family Field, and the Orfalea Family and ASI Children’s Center.

5. Danielle reported that Student Government will be participating in a series of Leadership Development trainings this quarter. They will begin October 10 and will be held every Wednesday that there isn’t a Board of Director’s meeting. The focus for this quarter is diversity and inclusion.

6. Danielle yielded the floor to Kylie Clark to discuss the upcoming UUAB facilities trip.
   a) Kylie discussed the UUAB facilities trip and announced that they will be leaving at 4 p.m. She stated that Marcy, Ron and Robyn Wallman will accompany UUAB members on the trip, and that they will be going to Stanford University first and then to San Francisco State.

B. Executive Director – Marcy Maloney

1. Marcy stated that she will be working closely with Danielle this year to advise and mentor her.

2. Marcy informed members that she was involved with the renovation of the Recreation Center, the Doerr Family Field, and now is working on the UU Neighborhood project. She stated that a few years ago ASI had a failed student referendum, but that they learned a lot from students during that process. One of the students’ priorities was that they wanted more space.
Marcy said that a plan was made on how to use the UU reserves for future projects.

3. She stated that Ron will be working closely with her this year and will be reporting on the many projects that ASI is involved in.

4. Marcy reported that the ASI directors team will be attending diversity and inclusivity training this year, along with the student managers. She stated that within next twelve months, all ASI staff will be trained on this topic.

5. Ron gave an update on projects.
   
a) The new MultiCultural Center space is waiting on a backordered storefront piece. It is expected to arrive by late November and the opening of the center is expected by January.

b) The Green Roof project will turn the roof space into a useable covered deck. They will be interviewing architects in 3-4 weeks. It is expected that construction will begin around spring/summer 2019. Ron will be bringing renderings for UUAB members to see.

c) Ron reported on The Alley project which is one of the first phases of the UU Neighborhood project. The Alley will be in the breezeway space outside of Starbucks where the tables are. Ron reported that the project will include two seating areas that will each have eight chairs and a table, as well as power outlets. It will have a bar height counter with fixed seating that will include lighting under the counter and power for devices to plug into. An outdoor walk-up window is planned for Starbucks in the same area. Ron showed renderings of The Alley and asked members for their input on several choices of furniture. He stated that the space will also have heating elements in the ceiling area, and string lights similar to outdoor restaurants. They are also looking at the possibility of adding additional bar counters on the walkway of the balcony outside of Chumash Auditorium and the Epicenter. He stated that he will be bringing more information on the different pieces of the UU Neighborhood project to UUAB.

d) Marcy shared that the Mustang Station will also have an outdoor patio with seating, lighting, heating, a glass fireplace and a big screen TV.

C. University President’s Representative – Ray Aronson

1. Ray explained that his department is responsible for the planning and design of construction projects on campus. He stated that anytime the UUAB members are interested in seeing a project, they can let him know. He stated that he is currently working on the Campus Master Plan and Wayfinding Plan. They are planning ways to make the entrances to campus more dynamic. Ray reported that the Vista Grande project is behind schedule and is planned to open next summer. He stated that next year the project to refurbish the library will begin, and the library will be down for two years. He gave updates on other campus projects as well, and told members he welcomes their input.
