   iii. She stated that the Student Community Liaison Committee voted to use funding to purchase bike lights and reflectors. They will be distributed to
San Luis Obispo and University Police departments. This will give officers the opportunity to give a bike light instead of a ticket to anyone not having lights on their bikes.

i. Motion #2 (Broaddus/Waskiewicz) “Move to approve Bill #19-02: The Establishment of the ASI Alumni Council”

ii. James reported that the Internal Review Committee recommended a do pass.

iii. Members stated that the purpose of the bill is to establish the ASI Alumni Council as a recognized body comprised of ASI Student Government alumni, current ASI Student Government members, and ASI staff. This is to provide mentorship opportunities to current students, promote alumni engagement, and further advance the ASI Learn by Doing Leadership Endowment Fund.

iv. Members stated that creating an Alumni Council will strengthen mentorship and build a strong alumni network. Others stated that the endowment potential is huge and being able to reach out to alumni for advice on historical context is another benefit.

v. Joe expressed his concerns over the evolution of the document that last year’s board denied. He thought there was a lack of research of other universities, and, lack of structure.

vi. Others stated that it is crucial to have a formally established Alumni Council added to the Bylaws to benefit members for years to come. Sarah stated that the reasoning for a not so structured document allows the Alumni Council to create their own Operating Rules that are easily changed if needed.

vii. Mark stated that the motion requires a 2/3 vote.

viii. With 21 in the affirmative and 1 opposed, motion passed majority standing vote.

B. Action Item: Second Reading of Bill #19-03: Removal of the Student Engagement Committee

i. Motion #3 (Broaddus/Moore) “Move to approve Bill #19-03: Removal of the Student Engagement Committee.”
ii. Rob Moore, Chair of the Student Engagement Committee, stated that the committee discussed the bill in length. The committee has been less than effective since its inception in 2010. With the addition of the Diversity & Inclusion Committee, there are fewer board members to sit on more committees, it has become increasingly difficult to meet the membership requirements of all standing committees.

iii. Joe expressed his concern that the original intention of the Advocacy Committee was to explore advocacy efforts with a detailed action plan. Their intent was never added to Bill #11-03 and the committee continued to fail due to lack of purpose. He stated that he would like to see the committee implemented with the initial intent of advocacy.

iv. Members expressed that it is the responsibility of every Student Government member to outreach and advocate on behalf of students, and that a committee is not needed for this purpose.

v. Motion requires 2/3 vote.

vi. With 21 in affirmative and 1 opposed, motion passed majority standing vote.

          model. In addition, the Senate passed a resolution asking the
          University to sever its ties with Chick-Fil-A because the company’s
          historic and current support for anti-LGBTQ charitable organizations
          is in direct conflict with Cal Poly’s initiatives to support diversity and
          inclusion. Several senators have expressed their hopes that Cal Poly
