VI. Reports

A. Chair - Elizabeth Roseman

1. Elizabeth reported that first round interviews have begun for the Director – Recreational Sports.

2. Elizabeth stated that the Leadership Team met with Trustee Fong to discuss CSU & campus issues.

3. She stated that she attended the first of a two-part series, titled True Colors, last week.

4. She stated that there will be diversity follow-up trainings tonight and on Nov. 14.

5. Fitness and Wellness Overview with Staley Pearl, Assistant Director – Fitness and Wellness
   
   a) Staley held a short activity to get the student’s opinions on new Fitness and Wellness programs.

6. ASI Intramural Sports and Pro Shop Overview with Jevon Smith, Coordinator – Recreational Sports
   
   a) Jevon stated that he oversees Intramurals and the Pro Shop. He gave an overview of the Intramurals program and the Pro Shop and answered questions.

7. PG&E Power Outage Procedure Overview with Daren Connor and Ron Skamfer
   
   a) Ron reported that ASI has been preparing for potential PG&E power shutdowns. Generators have been purchased to keep the air circulating in our facilities during a power outage. Only essential staff will remain on campus during power outages, including ASI custodial staff, Daren and Ron. He said students should plan to attend class until they are notified by campus that classes are cancelled. ASI will not be supporting any events during PG&E power outages. Campus Dining will have enough food to accommodate students during a power outage.

   b) In the case of an outage, the UU second floor will be open one hour after sunup until one hour before sundown. The first floor will be closed. The generators will enable us to keep the building open for three days.

   c) The Rec. Center will keep only the first floor open, and will have the same hours as the UU. The pools will be closed during an outage and the turnstiles would not be working. The sports fields will follow the same hours as the Rec. Center.

   d) Generators will be used to keep the Children’s Center open for two days during an outage to care for the children of the essential staff that need to remain on campus. The third day the Center would be closed.
